There is an art as well as a science with cosmetic plastic surgery. To be an excellent plastic surgeon it takes an artist's eyes and precision, a strong medical understanding and surgical skills and excellent interpersonal abilities in order to approach every patient with compassion, acceptance and understanding.

After completing eight years of extensive surgical training Dr. Jeremy A. Benedetti joined a busy Plastic Surgery practice in Portland, Oregon. He served as Medical Director of the cosmetic program and was a Clinical Professor of Oregon Health Sciences University teaching Plastic Surgery Chief Residents advanced techniques in Cosmetic Plastic Surgery. After four years in Oregon and much consideration, Dr. Benedetti decided to relocate his family and cosmetic surgery practice to Florida to be in a more outdoor friendly environment and closer to family.

Dr. Benedetti is dual-board certified in both plastic surgery and general surgery and is a Fellow of the American College of Surgeons. He is a member of The American Society of Plastic

Surgeons and is the Medical Director for the BayCare Med Spa. He also donates his time with oversees charity missions helping children with facial deformities.

Dr. Benedetti has a particular interest in performing cosmetic surgery to achieve symmetry, address areas of personal concern and to help improve self-image and confidence. His attention to detail and his commitment to continually strive for improvement is reflected in the treatment, care and outcomes of his patients.

As a patient contemplating a surgical procedure we feel it is important for you to know as much as possible before making your decision. The first step is to meet with Dr. Benedetti for a consultation appointment in his new beautiful, state-of-the art office, conveniently located at The Carillon Outpatient Center. At the Carillon, you are treated to valet parking, a café and a Wellness Center for your convenience. During this initial appointment you will have the opportunity to discuss your questions and concerns and review your treatment goals with Dr. Benedetti in our comfortable office setting.

We understand that making a decision to proceed with elective cosmetic surgery is a personal one. We encourage open communication to support you in your decision-making process. We will provide you with honest, realistic expectations and help guide you through this experience in a positive and informative manner.

Please join us at an educational seminar to learn more about cosmetic surgical and non-surgical procedures and discover if they are right for you. Come listen to Dr. Benedetti in a casual, relaxed environment and learn about the latest techniques to help you look and feel you best.
